ARTIST SNAPSHOT

Berlin-born Hannalene is a singer, songwriter and sonic artist whose music moves between soul, reggae, Latin and global influences. Her expressive voice carries intimacy and power, while groovy rhythms, poetic songwriting and cross-cultural collaboration shape performances that feel both grounding and uplifting.

From intimate duo concerts to full-band stages and immersive sound journeys, she creates spaces where audiences can reconnect with joy, presence and human connection.

GOLD

A FIVE-SONG JOURNEY OF TRANSFORMATION

GOLD is Hannalene's latest EP - a journey through growth, healing and self-remembrance. Blending soul, world and reggae influences, the record places her expressive vocals over groovy drums, warm basslines and evocative guitars.

Created with musicians from Angola, Nigeria, Brazil and Portugal, it brings African-inspired rhythms together with a distinctive Berlin sensibility.

TRACKS

Where the Light Is · Berlin · Gold · Release · Sober

GOLD marks both a culmination and a beginning, opening the way toward Hannalene's forthcoming full-length album.
